# Exploring

the world through little eyes:  
discovering, learning,  
and growing together!

## MESSAGE

*World at times portrays to be a storm of problems and pain,  
Behind that portrayal, there is treasure trove of happiness and gain,  
Unlock this treasure, for the keys always lie within you.*

The current age is characterized transformations in the realm of education, with innovative approaches redefining the learning experience for students. The onus is on the teaching fraternity to give prolific meaning to education and equip the children with such skills that provide them with the opportunities where they can fulfill their vision for the future. The school plays a pivotal role in imbibing values, virtues, wisdom and integrity in the students in their blooming years. We need to recognise, appreciate, applaud and nurture the fine blend of sensibilities in a child and thus these rose buds would blossom to add more vibrant colours to an eye catching canvas.

*Passion is the internal drive that makes you go  
fervently in pursuit of your goals. Focus on your goals  
and you will do incredible things. Be persistent in  
your goal and success will be yours.*

Each of us thrives on being successful and in doing so we often forget the trials and tribulations lying in the path of success. It isn't a one-way path or a straight line. It is a muddled road with various ups and downs, and one should navigate it with utmost care. Surrendering before the challenges is not the virtue of a hero. If you truly want something, you must gear up to take every stumbling block as a new step to reach a higher pedestal. All it takes is one "yes" for your dreams to become a reality. It's all about setting highest priority to the most important goal. It's easy to get distracted which leads to failure.

**Hold fast to dreams, for if dreams die,  
Life is a broken winged bird, that can not fly.**
